PROJECTS

Hustle and Grind — *Solo Developer,* May 2018 - Present
github.com/keripmiller/hustleandgrind
A React web app to schedule coffee chat meetings conveniently.
- ❖ Uses Emotion Js to style the front end with CSS-in-JS and styled components
- ❖ Integrated with Google oAuth2

The Final Meltdown — *Developer,* Jan 2018
thefinalmeltdown.github.io/theFinalMeltdown/
An open source VR app that uses A-frame to create a symbolic representation of the effects of climate change on the planet.
- ❖ Developed and designed project idea and outlined future goals for hackathon presentation
- ❖ Used A-Frame animations to create shrinking iceberg animation

Whiskr — *Developer,* Nov 2017 - Jan 2018
whiskapp.herokuapp.com
A Tinder styled web app that connects users with real shelter pets for adoption using Petfinder's API.
- ❖ Led development for Match Logic and Geolocation for app
- ❖ Integrated the petfinder api to fetch real pet and shelter data
- ❖ Uses React-Redux, Express and Sequelize

EXPERIENCE

J. Pocker, New York, NY— *Assistant Bookkeeper*

April 2013 - Aug 2017

Performed the accounts payable duties for a small family-owned business with 5 store locations through NY and CT.
- ❖ Efficiently processed 100+ vendor invoices weekly
- ❖ Obtained proper information and approval regarding invoice payments for tracking purposes
- ❖ Maintained the vendor database with accurate and current information in MAS200
- ❖ Researched and resolved all payment problems for production
- ❖ Assisted head bookkeeper with accounts receivable tasks during busy seasons.

Business Alternatives Inc, Bronx NY— *eBay Store Manager*

June 2011 - April 2013

Developed a service to curate and sell items for customers at a small business while I was a Data Entry Clerk.
- ❖ Researched customer's inventory to sell and valued them accordingly
- ❖ Provided quality photos for every item listing and edited them in photoshop
- ❖ Wrote detailed listing descriptions for ~100 items weekly
- ❖ Tracked and reported customer's listed items and running earnings weekly
